

Forest Health in a Changing Environment

Speaker: Rene I. Alfaro

Pacific Forestry Centre, Canada

Time: 10:00 am April 1, 2017

Venue: Conference Room, Ecology Building
(生态楼二层会议室)

Person to contact: Qibing Zhang(张齐兵), 62836957

Brief Introduction of Speaker:

Dr. Rene Alfaro works on forest health assessment. During 35 years working with the Canadian Forest Services, he has published 123 peer reviewed papers, has been senior editor of nine books on various aspects of pest management, as well as authored 15 chapters in books and proceedings and 10 operational technical reports. Dr. Alfaro has received a number of awards including CANADIAN FOREST SERVICE MERIT AWARDS, in recognition of outstanding contribution to work on the mountain pine beetle, and for outstanding contribution to international partnerships. He has been a member of the Canadian delegation at the United Nations on forests.
